MFC-L6700DW

The Brother MFC-L6700DW monochrome laser All-in-One addresses the business needs of workgroups with higher print volumes. It boosts printing and copying at up to 48ppm to help maximize your productivity and low cost output due to a super high-yield replacement toner cartridge. This high-performance All-in-One offers a large 520-sheet capacity paper tray that holds more than a ream of paper and optional trays increase total paper capacity to 1,610 sheets. Advanced security features provide network user authentication to help protect against unauthorized access. Plus, quickly scan two-sided documents to a wide variety of destinations using the 70-page capacity auto document feeder or using the legal-size document glass. A large, color Touchscreen display provides customized workflow and direct printing from and scanning to popular business cloud services^Δ.
