PT-H300

Take-It-Anywhere Labeler with Brother™ Vivid Bright Display

For labeling in most any environment

brother ®
at your side

Powerful functionality, combined with handheld portability.

Labeling to help improve productivity and organization is a best practice that's relevant for workplaces of every kind - not just the traditional office. That's why Brother™ designed the P-touch® PT-H300 with robust functionality in an easy-to-use, take-it-anywhere size. Its bright display, QWERTY-style keyboard and flexible power options make it the ideal label maker for store owners, caterers, warehouse managers, florists, retail supervisors, and other professionals whose work requires them to be away from a desk for much, if not all, of their working day.
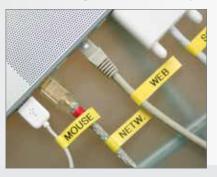

Create labels for a variety of applications…
Wherever your office may be.

Label to *Organize & Identify...*

Label to *Look Professional...*

Label to *Protect Your Assets...*

Labels are for illustrative purposes. Actual output (such as font and margins) may vary.

Professional labeling… in the palm of your hand.

Preview work in most any lighting

Preview labels on the large Brother™ Vivid Bright Display to eliminate guesswork and help ensure satisfaction with label output. The display is bright enough to give a clear view of work, even in low-light conditions.

Easy and accurate typing

Unlike many handheld labelers, the PT-H300 offers a generously-sized, QWERTY-style keyboard that makes typing easy and virtually effortless. In addition, the intuitive, one-touch formatting keys support quick label creation.

Print large, easy-to-read labels for a variety of uses

Use durable, laminated TZe tapes up to 18mm wide (approximately 3/4") to make labels with up to five lines of text and graphics. Print up to 42 point text for maximum readability. The robust library of fonts, symbols, frames, and barcodes help to create virtually any label imagined.

Flexible Power Source

Powered by included alkaline batteries, or an optional rechargeable Lithium-Ion battery*, this labeler can go virtually anywhere. Great for professionals whose work requires them to be away from a desk for much, if not all, of their day.

Key Features at a Glance:

- Preview work on the large Brother™ Vivid Bright Display

- Create durable labels for indoor or outdoor use

- Print multiple lines of text and graphics

- Intuitive one-touch keys for quick, easy label formatting

- Fast print speeds and pre-designed labels support efficient multi-label printing

- Powered by 6 x AA batteries (included)

- Optional rechargeable Li-ion battery pack available

- Hundreds of built-in symbols, fonts, frames, and barcodes

- 2-year limited warranty and free phone support for the life of the machine

* Additional purchase required.

Hardware Features:

Display	Graphical with Backlight
Display Size	15 characters x 3 lines
Maximum Tape Width	18mm
Built-in Memory	Up to 50 labels
Keyboard	QWERTY
Tape Cutter	Manual
Maximum Print Speed	20mm/sec.
Maximum Print Resolution	180 dpi
Maximum Print Height	15.8mm
Power Source	6 x AA batteries (included) Rechargeable Li-ion battery pack (optional) AC power adapter (optional)
Auto Power Off	Yes

Accessories*:

BA-E001	Optional rechargeable Li-ion battery pack
AD-E001	Optional AC power adapter

See next page for a detailed list of compatible tapes.

*Additional purchase required.

Number of Font Widths	3
Barcode Printing	9 kinds (CODE39, ITF 2/5, EAN13, EAN8, UPC-A, UPC-E, CODABAR, GS1-128(UCC/EAN128), CODE128)
Built-in Symbols	617
Built-in Frames	99
Auto Numbering	1-9, A-Z, a-z
Repeat Printing	Up to 9 copies
Vertical Printing	Yes
Mirror Printing	Yes
Number of Languages Supported	20

About Our Tapes:

Tapes for most any application*
Choose from a wide variety of TZe tapes - use Standard Laminated Tapes for general workplace labeling, or use one of many specialty tapes for identifying wires and cables, or adding tamper-evident security. There's even non-laminated fabric iron-on tape for labeling uniforms, linens, and more. The split back tapes allow for hassle free application.

Better performing labels by design
The PT-H300 uses tapes from our best-selling TZe laminated tape family. Text and images printed on TZe tape are protected by a thin, clear film to withstand water, grease, fading, abrasion, heat, cold, and demanding outdoor environments.

Standard Adhesive Laminated Tapes:

Standard Adhesive Laminated Tapes stick to virtually any surface and are great for most applications, indoors and out.

TZe-111	6mm (0.23") x 8m (26.2 ft) Black on Clear tape
TZe-211	6mm (0.23") x 8m (26.2 ft) Black on White tape
