Compact and productive All-in-one laser multifunction device that's easy on the budget

Essential

The imageCLASS MF3010 is a feature packed solution for growing businesses. It combines a scanner, digital copier and a laser printer in one flatbed design, and with its tiny footprint it also saves much needed office space. The MF3010 has all of your office needs in one convenient unit which doesn't compromise on quality.

Key Features

All-in-One cartridges Toner Cartridges
- The MF3010 utilises a drum cartridge in which an "Intermediate Transfer Unit", "Photosensitive Drum", and "Waste Toner Container" that are normally individual consumables, are all combined, meaning less consumables to stock and less fuss.

Low Power Consumption and Quick Start Up
- By adopting Canon's unique On-Demand Fixing System, the MF3010 achieves low power consumption of only 2.5 watts in standby and quick start-up. This enables instantaneous heating of the fusing heater only before printing, saving warm-up time. The MF3010 is always ready to print.

Easy to Use Interface
- An easy to understand interface allows users to quickly set basic functions such as number of copies, density, enlarge / reduce or 2-on-1 copying with the touch of a button.

As a Laser Printer
- Up to 18 pages per minute1 with 7.8 seconds to first print
- 600 x 600 dpi laser print resolution (enhanced to 1200 x 600 dpi with A.I.R.).
- 64MB Memory

As a Scanner
- Up to 600 x 600 dpi (optical) and 9600 x 9600 dpi (interpolated) colour scanning resolution for sharp images

As a Copier
- Reduction/enlargement ranges of 50% to 200%;
- Toner saver and energy saver modes

Quality images
High print resolution (600 x 600 dpi / up to 1200 x 600 dpi enhanced)

Fast Copying
