# imageCLASS MF4890dw

# WORKHORSE RANGE - Wireless Multifunction Laser Printer

This compact network-ready multifunction offers small offices efficient wireless workgroup printing whilst slashing paper costs with its auto duplex copy and print feature.

## Workhorse

This stylish multifunctional will speed up your offices workflow. With virtually zero warm-up time from sleep mode, and a First Copy Out Time of less than 6 seconds, there no waiting for prints or copies.

Our Ultra High Quality imaging technology ensures that all details come out clearly when sending documents containing diagrams, photos or fine text so your business will always look professional.

The MF4890dw also cuts paper costs and saves you time and money with its built-in automatic double-sided printing for both printing and copying.

# **Key Features**

#### All-in-One cartridges Toner Cartridges

The MF4890dw utilises a drum cartridge in which an Intermediate Transfer Unit, Photosensitive Drum, and Waste Toner Container that are normally individual consumables, are all combined, meaning less consumables to stock and less fuss.

#### Low Power Consumption and Quick Start Up

By adopting Canon's unique On-Demand Fixing System, the MF4890dw achieves low power consumption of only 53 watts in standby and quick start-up. This enables instantaneous heating of the fusing heater only before printing, saving warm-up time. The MF4890dw is always ready to print.

### As a Laser Printer

- Up to 25 pages per minute with 6 seconds to first print
- 600 x 600 dpi laser print resolution (enhanced to 1200 x 600 dpi by Image Refinement).
- 128MB Memory
- Auto duplex for easy double sided printing

#### As a Fax Machine

- 33.6 Kbps Super G3 fax up to 3 seconds per page fax transmission.
- Huge fax memory of up to 256 pages to ensure there are no lost messages.
- 50-page Automatic Document Feeder for fast, unattended copying and faxing.

#### As a Scanner

Up to 600 x 1200 dpi (optical) and 9600 x 9600 dpi (interpolated) colour scanning resolution for sharp

# As a Copier

- Reduction/enlargement ranges of 25% to 400%;
- Toner saver and energy saver modes
- Automatic duplex copying via document feeder

#### Quality images

High print resolution (25 ppm, 600 x 600 dpi / up to 1200 x 600 dpi enhanced)

#### Tilt Adjustable Front Panel

Convenient access to the front panel from a standing or seated position.

#### Auto duplex for copy & print

Auto duplex for easy double sided printing and copying via the Duplexing Auto Document Feeder

### Wi-fi Network Connectivity

Easy set-up mode will search for access points to connect to - ensuring trouble free network connections.

#### **Duplex Automatic Document Feeder**

50-page Duplex Automatic Document Feeder (DADF) for fast unattended copying and faxing.

Huge fax memory of up to 256 pages to ensure there are no lost messages

#### Quality Scanning

CCD scanning at 600 x 1200 dpi (optical) and 9600 x 9600 dpi (interpolated)

#### Easy Maintenance

All-in-one cartridge system meaning only 1 consumable to stock

#### **Toner Gauge**

Useful toner gauge function to confirm remaining toner quantity

#### **Laser Printers**

Canon laser printers combine a range of features and technologies to deliver fast, high quality and reliable printing. So, if you are looking to create professional business documents while reducing your running costs, Canon lasers fit the bill.

<sup>\*</sup>Tested in accordance to ISO7779 and declared per ISO9296.

<sup>\*\*</sup>Inaudible" means each Sound pressure level at bystander's position is less than the absolute criterion value about background noise of ISO 7779.
