# DF-1000

>>> air-suction folder

Duplo's state-of-the-art fully automatic DF-1000 air-suction folder is all you need for fast and easy folding of digitally printed and offset documents. Designed to be the ideal folding solution for the color digital printer, this high performance folder incorporates Duplo's renowned suction technology and tackles common problems, such as static build-up, faced by digital printers when finishing color work. Unique in design, the DF-1000 does not require an additional, separate pump making it the quietest machine in its class.

Able to handle bond, NCR, and coated stock up to 200 gsm, the DF-1000 can fold up to 248 sheets per minute

with ease. With five popular pre-programmed folds and a multitude of custom folds, crisp and accurate folding is just a touch away. The system's high level of automation, user-friendly LCD panel, and large 1,000 sheet feeding capacity ensure precise, non-stop productivity from start to finish. As no special operator training is required, even the most inexperienced operator can become a finishing expert in no time. Quiet in operation and compact in size, the DF-1000 fits perfectly into any office, commercial, or on-demand printing environment and is the ideal solution for folding brochures, flyers, invitations, and much more.

SINGLE FOLD

DOUBLE FOLD

HALF ACCORDION FOLD

LETTER FOLD

ACCORDION FOLD

## SPECIFICATIONS

PAPER SIZE (WxL)

Max. 11.7" x 17" Min. 4.72" x 7.2"

PAPER TYPES

Bond, NCR, coated stock

PAPER WEIGHT

52.3 - 200 gsm

FOLD TYPES

Single, double, half accordion, letter, accordion, custom

PAPER FEED TRAY CAPACITY

Up to 1,000 sheets (17 lb. paper)

SPEED

Up to 248 sheets per minute

PAPER FEED METHOD

Air-suction

PAPER FEED TRAY CONTROL FUNCTION

Elevator tray

PAPER SIZES FOR AUTOMATIC PAPER SETTINGS

Letter, ledger, legal, 1/2-letter, 1/2-legal

PAPER FEED ERROR DETECTION FUNCTIONS

Misfeed, paper jam

COUNTER

4-digit ascending and descending counter

OTHER DETECTION FUNCTIONS

Re-fold, batch (interval), fold stopper fix, thick paper processing, power off alarm mode, forced ejection

POWER SUPPLY

100 - 240 VAC 50/60 Hz

CURRENT CONSUMPTION

2-1A (140W)

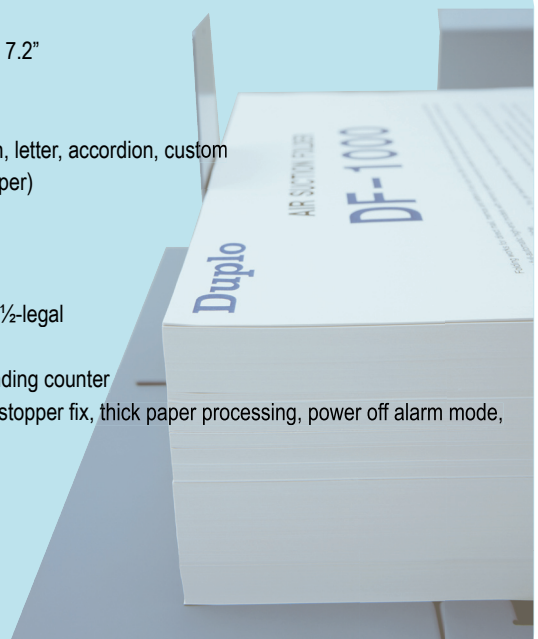

DIMENSIONS (WxDxH)

51" x 21" x 24"

WEIGHT

157 lbs.

Production rates are based on optimal operating conditions and may vary depending on stock and environmental conditions. As part of our continuous product improvement program, specifications are subject to change without notice.
