# DP-G310/210
## Digital Printing System

*Duplo's Affordable, Feature-Rich Digital Duplicator*

- *300 x 600 dpi resolution*
- *130 pages per minute*
- *1,300 sheet feed/receive capacity*
- *Platen-top scanner standard on DP-G310*
- *ADF standard on DP-G210*

*DP-G310 with optional ADF*

## Fast, High Resolution Printing

With a maximum speed of 130 pages per minute and a 300 x 600 dpi resolution, Duplo's DP-G310/210 Digital Printing System surpasses all other mid-range duplicators in the market. The DP-G310/210 delivers jobs faster and with more vivid prints through enhanced production of solids, lines and text, and photographic images. Document copying is as easy as a touch of a button, with the first print outputted in as little as 21 seconds. Print speed is adjustable for three levels (60, 90, 130 ppm) and with a feed stack capacity of 1,300 sheets, teachers, and busy staff alike can print on the go. With both models offering the same functionalities, the DP-G210 comes standard with an automatic document feeder (ADF) for scanning original sheets with the quick push of a button, while the DP-G310 comes with a platen-top scanner. The ADF is optional for the DP-G310.

## Simple Operation

The DP-G310/210 is no different than a copier when it comes to ease of use. From programming a job on the control panel to replacing ink cartridges and master rolls, the digital duplicator's simple design makes it easy for anyone to operate. Clean and easy master removal is also made possible via a patented automatic master disposal system. By adding the optional USB interface, users can adjust the image quality and send two-color jobs directly to the duplicator from their own computer.
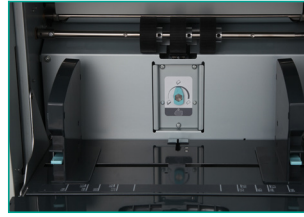

## Eco-Friendly

ENERGY STAR qualified, the DP-G310/210 saves you money by using less energy and helps protect the environment by preventing the emission of ozone. Its built-in Energy Saver mode reduces energy costs by automatically powering off after 3 minutes of inactivity. With no fuser unit to keep warm, the DP-G310/210 is completely inactive on standby mode, thus reducing its power consumption by up to 85%!

## Color Printing

Spot colors can be added to your documents just by changing the color drum. Multiple colors are available and Duplo can customize any Pantone color by request.

**Large LCD Panel**
*User-friendly control panel
simplifies operation.*

**Reliable Paper Feeding &
Double Feed Detection**
*Ensure the stable feeding
with the stepping motor and
adjustable separator.*

**Improved Stacking Performance**
*The U-shaped receiving tray
stacks the prints neatly.*
