

Electronic Scales

5 to 70 lbs.

flexiscale™ 15

Accuracy and Flexibility Right At Your Fingertips

For any size business, the last thing you need to worry about is losing money on postage. Selecting the right postage scale can make an immediate bottom-line impact. FP's selection of postage scales are loaded with features that will quickly enhance office productivity.

With precise weighing for a wide range of conditions, you can be assured you are getting the right postage rates every time.

When interfaced, postage amounts automatically transfer from the scale to the meter for fast and productive mail processing.
