Watch workgroup productivity soar with the HP LaserJet M5035 MFP series, an easy to use, wide-format MFP you can count on: enjoy print, copy, scan, fax¹, and multiple digital sending functions from one reliable, cost-effective device.

Full 11 by 17 multifunction productivity

- **Enjoy fast, professional printing and copying.** Save time and money with print and copy speeds of up to 35 pages per minute (ppm). Instant-on Technology reduces warm-up time from minutes to seconds, so you see a fast first page.
- **Provide big impact in a small size.** The MFP offers the 11 by 17 printing you want, and its smaller footprint enables placement close to workgroups, where you need it.
- **Integrate documents into workflows.** The MFP comes standard with send-to- e-mail and send-to-network-folder capabilities, including LDAP and address book support. With optional HP Digital Sending Software (DSS) 4.3, you can incorporate paper documents into electronic business processes, and send them quickly and securely to printers, ftp sites, and fax services.² Add optional HP AutoStore software to effortlessly route information to document management applications.
- **Improve efficiency with two-sided printing, copying, and scanning.** The MFP includes a 50-sheet reversing automatic document feeder (ADF) that supports wide-format, two-sided copying and scanning of double-sided originals. An automatic two-sided printing unit conserves paper, reducing office costs.³

Easy to use, easy to succeed

- **Save time with an embedded hard drive.** Enjoy password-printing capabilities, high-capacity storage of frequently used documents, and proof-and-hold features.
- **Count on reliable and simple networking.** The MFP features best-in-class networking through the HP Jetdirect, IPv6-ready, Fast Ethernet embedded print server.⁴ HP Web Jetadmin software offers remote installation, configuration, and proactive management. The HP Embedded Web Server performs remote diagnostics, sends e-mail alerts, and facilitates supplies reordering.
- **Work without interruption.** Interactive HP Smart printing technology in the HP print cartridge and the device optimizes print quality, provides convenient troubleshooting, enables status monitoring, sends alerts when supplies are low, and facilitates convenient online supplies reordering.⁵

Flexibility and expandability

- **Support workgroup productivity with flexible paper handling.** Complete jobs more quickly with an input capacity of up to 2,100 sheets. The HP LaserJet M5035xs MFP’s automatic 30-sheet stapler/500-sheet stacker increases your output options.⁶
- **Safeguard your business with HP’s security framework.** Count on capabilities that better secure the device, protect critical information, and simplify the way you manage and maintain your environment.

HP printing and imaging systems help you create powerful, professional communications easily. HP multifunction products, supplies, accessories, and services are designed to work together and are invented to meet your business needs.

¹Fax functionality comes standard on the HP LaserJet M5035x MFP and HP LaserJet M5035xs MFP only. It is an optional feature that can be added onto the HP LaserJet M5035 MFP (not included, sold separately).

² HP Digital Sending Software 4.3 is optional (not included, sold separately). Software is server based, server required. Trial is included.

³ Standard and available features vary according to model. For more information, see “Series at a glance” on page 2.

⁴ IPv6 is only supported with Microsoft Server 2003 and Windows XP (print only).

⁵ Using genuine HP supplies ensures availability of all HP printing features. For more information, visit www.hp.com/learn/suresupply.

⁶ Automatic stapling is available on the HP LaserJet M5035xs MFP only. It is not an upgradeable accessory.
HP LaserJet M5035 MFP series

1  50-sheet automatic document feeder (ADF) automatically scans two-sided documents in full color
2  Color flatbed scanner for scanning, copying, and faxing jobs
3  Automatic 30-page stapler/stacker with a 500-sheet output bin
4  Automatic two-sided printing unit
5  Two 250-sheet input trays
6  Integrated 3 by 500-sheet input trays
7  Intuitive control panel features a touch-screen graphical display
8  250-sheet output bin
9  Side door access to the print cartridge
10 100-sheet multipurpose tray 1
11  Right side access door
12  USB accessory connection
13  A powerful 460 MHz processor and 256 MB of standard memory (expandable up to 512 MB)
14  One open EIO slot
15  Hi-Speed USB 2.0 port
16  Security lock slot
17  Foreign interface harness (FIH) port
18  HP Jetdirect Fast Ethernet embedded print server
19  V.34 fax modem port

Series at a glance

HP LaserJet M5035 MFP
- 100-sheet multipurpose tray and two 250-sheet input trays for 600-sheet input capacity
- Color flatbed scanner and 50-page ADF
- 250-sheet output bin
- 256 MB RAM
- Embedded hard drive
- HP Jetdirect Fast Ethernet embedded print server
- 15,000 page HP LaserJet Black Print Cartridge with Smart Printing Technology

HP LaserJet M5035x MFP
- Base model, plus:
  - 500-sheet input tray 4 with storage cabinet for a 1,100-sheet input capacity
  - Analog fax functionality
  - Automatic two-sided printing unit

HP LaserJet M5035xs MFP
- Base model, plus:
  - Integrated 3 by 500-sheet input trays 4, 5, and 6 for a 2,100-sheet input capacity
  - Analog fax functionality
  - Automatic two-sided printing unit
  - Automatic 30-page stapler/stacker with a 500-sheet output bin

---

6 The stapler is available with the HP LaserJet M5035xs MFP only.
7 Declared yield value in accordance with ISO/IEC 19752. For more information, visit www.hp.com/go/pageyield
Simplicity, convenience, and outstanding support make the HP LaserJet M5035 MFP series the perfect choice for small workteams with no time to worry about device management.

Radically simple
HP completely redefines the term usability with its new, radically simple user interface.
- Easily take advantage of your MFP’s complete feature set with an intuitive control panel that clearly displays all available applications. Getting around is a snap with familiar Windows emulation icons, automatic navigation that visually walks you through troubleshooting, and setup installation wizards.
- The control panel’s unique touch-screen graphical display offers all the features you expect from a standard photocopier as well as faxing, scanning, digital sending capabilities, and printing.
- A built-in Help system explains how to use each screen. To open the Help system, touch the Help button ( ) in the upper-right corner of the screen. You can search for specific topics and view explanations of the settings available for an individual job.
- Just like your coffee maker, the Automatic Printer Wakeup feature allows you to set your MFP to be warmed up and ready first thing in the morning.

Extended functionality
A Foreign Interface Harness, open EIO slot, and host USB port allow you to expand the MFP’s capabilities with HP and third-party solutions. Get investment protection with optional Gigabit Ethernet, IPSec security, or wireless networking and memory expandability up to 512 MB RAM. HP partnerships enable access to integrated third-party solutions such as additional forms, fonts, barcode printing, and business process solutions for document capture and security.

Legendary HP support
HP’s award-winning customer service and support backs every product with a one-year limited on-site warranty; fast, knowledgeable online support available 24/7 at www.hp.com/support, and easy-to-access phone support provided by HP trained agents. Plus, you can enhance your warranty protection with the purchase of affordable HP Care Pack Services.

100 million HP LaserJet printers shipped
No one has supplied more printers to more people than HP. For more than 20 years, HP has introduced innovative laser printing products. Now, HP celebrates shipment of the 100 millionth HP LaserJet printer. HP printers offer proven reliability, award winning service and support, and the broadest portfolio of printing solutions in the industry. Count on the legendary quality of HP LaserJet printers.

Saves valuable time
The HP LaserJet M5035 MFP series is designed to save you time and effort with powerful management tools and convenient, thoughtful features:
- The HP Embedded Web Server provides a universal interface to the device that anyone with a network-connected PC and a standard Web browser can easily access. It requires no special software to install or configure. You can check status information, change settings, and facilitates convenient supplies reordering.
- HP Web Jetadmin is a simple, Web-based peripheral management utility for remotely installing, configuring, and managing a wide variety of HP and non-HP network peripherals. Through a standard Web browser, you can manage supplies, configure devices, conduct remote diagnostics, set up automatic e-mail alerts, and solve potential problems before they impact user productivity.
- The HP Universal Print Driver Series for Windows can alleviate administration headaches with a single, intelligent driver that replaces individual drivers for all HP networked devices. For more information, go to www.hp.com/go/universalprintdriver.
- Built-in hard drive. HP’s world-class designers have thought through all the details and included a 40 GB built-in hard drive on both models, which provides a virtual mailbox to keep sensitive documents confidential, proof a document before releasing the remaining copies, and store frequently printed jobs for easy retrieval, such as expense reports or invoices.

Build the wide-format MFP to suit your business

Automatic two-sided printing unit
Save time with the automatic two-sided printing unit

Input trays
Add input capacity with a 500-sheet tray with storage cabinet or integrated 3 by 500-sheet trays

Analog fax accessory
Add fax capabilities for a complete office hard-copy solution

Digital sending
Add digital sending capabilities with DSS 4.3 or AutoStore

Enhanced Input/Output
Add wireless, Gigabit Ethernet, or IPSec compatibility via the open EIO slot

Additional memory
Get up to 512 MB RAM via one open DIMM slot
HP LaserJet M5035 MFP series

Technical specifications

HP LaserJet M5035 MFP (Q7829A)
HP LaserJet M5035xs MFP (Q7830A)
HP LaserJet M5035xs MFP (Q7831A)

Print and copy speed

Up to 35 ppm, letter

First page out

Less than 10 seconds

Print resolution

HP PCL 6, HP PCL 5, HP postscript level 3 emulation, PCL 1.4, BOE Scalable TrueType fonts

Printing

Up to 200,000 pages per month

Copy speed

Up to 35 ppm, letter

Connectivity

Send to e-mail, send to network folder, LDAP and SMTP authentication, LDAP addressing, file formats: PDF, JPG, TIFF, MFF

Durability rating

Recommended monthly page volume: 1,000 to 12,500 pages

Features

Optional accessory

Automatic two-sided printing unit

Networking

Via HP jetdirect print servers: Windows 2000, XP Home, XP Professional, XP Professional x64, Server 2003, Novell 5.1 and higher, Max OS X 9.x, X 10.2 and higher, Red Hat Linux 7.x and higher, SuSE Linux 8.x and higher, UNIX 10.11, 11, 11.1 and Solaris 2.5 and higher (SPARC systems only), BM AIK 2.7.5 and higher (Xenix systems only), BM AIK 2.7.5 and higher (Xenix systems only)

Power requirements

120- to 240-V, 50- to 60-Hz, single-phase power source
