ECOSYS M6526cidn and ECOSYS M6026cidn - SUPERIOR FUNCTIONALITY IN A SMALL FOOTPRINT

The ECOSYS M6526cidn and ECOSYS M6026cidn color multifunctional network printers take desktop power and flexibility to the next level, with the addition of productivity enhancing business applications - all in a small footprint. Workgroups of all sizes will benefit from outstanding business color output at speeds up to 28 pages per minute in black and color, plus the convenience of one device for your print, copy, scan, and fax (ECOSYS M6526cidn) needs. Full integration with KYOCERA business applications plus optional wireless printing capabilities make them the ideal choice for complete document solutions that are both highly efficient and budget conscious.

Environmentally friendly and highly economical, ECOSYS MFPs leverage KYOCERA's advanced technology to deliver all the powerful functions users demand packed within a compact device, enabling you to work faster and smarter. Incorporating a durable imaging system based on KYOCERA's long-life patented drums, these MFPs are capable of printing thousands of pages over time before requiring parts replacement. Because the drum is separate from the toner, only the toner needs to be replaced when depleted. Not only does this reduce waste, it provides your business with an economical advantage.

TAKE CONTROL OF YOUR EVERYDAY TASKS

The ECOSYS M6526cidn and ECOSYS M6026cidn deliver impressive performance to drive your business forward. Robust capabilities easily integrate with your daily workflow to help boost productivity, enabling you to focus on the end result rather than the task at hand.

- 28 ppm output in color and black
- Standard reversing automatic document processor for scan speeds up to 35 images per minute
- 1,300 sheet maximum paper capacity supporting multiple paper types and weights
- Standard fax functionality for enhanced multifunctional capabilities (ECOSYS M6526cidn)
- Built-in Gigabit Ethernet for high speed data processing

SECURELY KEEPING YOU AND YOUR INFORMATION MOVING

Today's employees are increasingly conducting business out of the office. Yet, whether visiting a client, working in a satellite office, or on the road, easy access to documents and other information is as essential as ever. With the ECOSYS M6526cidn and ECOSYS M6026cidn, you can go where your business goes while still staying connected to your content.

- USB host interface provides the print-from and scan-to convenience that busy users need
- Wireless option lets you place the device virtually anywhere in your office
- Apple AirPrint™ enabled for iOS devices for mobile printing that matches your on-the-go work style

As importantly, the devices offer standard and optional security solutions to protect sensitive information from interception, while enabling you to control costs by tracking usage.

- Standard password protection, user authentication and private print help keep information safe
- Standard job accounting allows up to 100 access codes for simplified device based tracking
- An optional HID card reader maximizes document security while enabling you to monitor usage and more accurately allocate costs

DOCUMENT PROCESSING FEATURES AT YOUR FINGERTIPS

The MFPs' Color Touch-Screen Control Panel features intuitive prompts, smart keys and on-board help guidance to make programming your jobs from the device quick and effortless.

- Full Color Touch Screen Interface
- Color-coded and application hard keys
- Quick # search key for scanning
- Intuitive wizard-based functionality

TRANSFORMING YOUR HARDWARE INVESTMENT INTO A POWERFUL WORKFLOW TOOL

The flexible ECOSYS M6526cidn and ECOSYS M6026cidn seamlessly integrates within virtually any network environment or platform, including Windows, Mac and Linux. Built on KYOCERA's award-winning product platform, it combines proven productivity with a highly scalable architecture to keep your information flowing.

From mobile and cloud, to cost control and security solutions, KYOCERA is committed to providing our customers with enhanced business applications, powered by HyPAS, KYOCERA's robust software development platform. Developed by KYOCERA or our third-party solution providers, these applications optimize your hardware investment by expanding the capabilities of your MFP – all from the comfort of a single device.

We get to the heart of your critical business challenges, with a personalized, single source approach that helps streamline your entire document workflow to reduce costs, increase workplace productivity and efficiency, and deliver exceptional results you can count on.

STREAMLINE YOUR DOCUMENT WORKFLOW WITH CUSTOMIZABLE SOLUTIONS THAT SIMPLY AND SECURELY INTEGRATE WITH YOUR ECOSYS MFP

KEEPING THE FUTURE GREEN

KYOCERA is committed to pursuing a harmonious balance between economic development and environmental preservation. We adhere to the goals of our worldwide Environmental Action Plan in developing office solutions with environmentally friendly and superior energy-and supply-saving features, that can dramatically reduce waste, without compromising productivity.

ADD **COLORFUL** IMPACT TO YOUR OUTPUT

Looking to visually amplify daily business documents as well as those high-impact pieces? Add a splash of color!

The ECOSYS M6526cidn and ECOSYS M6026cidn are the smart choice for precise, eye-catching color, which can also be controlled from the desktop via KYOCERA's advanced KX Driver. Increase or decrease saturation, color-correct, or even change your hue, for output that makes a statement every time.

ECOSYS TECHNOLOGY

KYOCERA's objective is to manufacture superior products with a low Total Cost of Ownership (TCO) and minimize the impact on the environment. ECOSYS printers incorporate a patented long life drum which is separate from the toner container, eliminating drum replacement when toner is depleted – and reducing landfill waste. ECOSYS printers provide a printing solution that incorporates long life consumables and one of the lowest costs per print. The operating costs of traditional cartridge-based printers can easily exceed many times the original purchase price during the life of the product.
