

FS-C2626MFP | Color Multifunctional Printers
FS-C2526MFP

ECONOMICAL. ECOLOGICAL. ECOSYS TECHNOLOGY.

Superior Functionality in a Small Footprint

The Kyocera ECOSYS® FS-C2626MFP and FS-C2526MFP multifunctional printers (MFPs) provide the functionality you need in a conveniently small desktop device. Exceptional color printing offers the flexibility to output letter or legal sized documents that make an impact, while fast speeds of up to 28 pages per minute in color and black, combine with robust scanning, copy and fax (FS-C2626MFP) capabilities to improve workgroup productivity. To further expand your Kyocera ECOSYS MFP's capabilities, the addition of integrated business applications can simplify document workflow while providing added power and performance.

In the past, users have been reluctant to give up single function printers for big, expensive MFPs. Kyocera's ECOSYS MFPs offer versatility and efficiency in virtually the same footprint as a printer, while also providing added functionality that easily fits into any office environment.

Robust Features and Advanced Functionality Mean High Performance

When it comes to capabilities, the FS-C2626MFP and FS-C2526MFP deliver impressive performance! Just take a look:

ECOSYS Printer Technology - Only From Kyocera

Technology that is environmentally friendly and highly economical has been the foundation of Kyocera's ECOSYS Printers for nearly twenty years. Kyocera has built upon this technology and developed a line of MFPs that deliver all the powerful functions users demand, packed within a compact device, enabling them to work faster and smarter.

Developed from Kyocera's award-winning printer engines, these new MFPs incorporate a **durable imaging system** based on Kyocera's long-life patented drums, capable of printing hundreds of thousands of pages. Because the drum is separate from the toner, only the toner needs to be replaced when depleted. Not only does this reduce the amount of waste generated by our ECOSYS products, it provides your business with an economical advantage.

Kyocera toner container including just five components and two materials

Traditional laser printer cartridge containing many components, comprising various materials

- **Fast processing speeds** of 800 MHz, with up to 2 GB of RAM, results in exceptional multifunctional capabilities.
- Kyocera's **long life technology** and 'class leading' drum yields deliver extended preventive maintenance intervals and maximize device "uptime". This adds up to ultra-reliable operation and a low total cost of ownership.
- **Robust connectivity capabilities** including standard Gigabit Ethernet and a Hi-Speed USB 2.0 Interface offer seamless integration within virtually any network environment or platform.
- **Color scanning**, an essential compliance component for many industries, allows you to quickly digitize printed documents for archiving and sharing across the network.
- A **Standard Reversing Automatic Document Processor** enables productive scan speeds of up to 35 images per minute.
- **Impressive toner yields** of 7,000 pages for black and 5,000 pages for each color, allow you to run longer print jobs with maximum quality and productivity, while minimizing interruption.
- The optional **USB keyboard** provides a convenient, fast way to enter information such as email addresses into the device for today's on-the-go workforce.
- An optional **Card Authentication Solution** permits a RFIDeas Card Reader to be embedded in the front of the device, within the operation panel, enhancing ease of use while facilitating security and cost control.
- For customers that require fax capabilities, the FS-C2626MFP comes standard with **Network Fax**.

Take Control of Everyday Tasks

Advanced Kyocera technology enables the FS-C2626MFP and FS-C2526MFP to pack the power you need to keep your information moving, in a unit that is compact, quiet, and efficient:

- Output documents on the most widely used paper sizes, from statement through legal, up to 120 lb. index. The expansive 1,300-sheet paper capacity can support multiple configurations to best fit your needs, so you can work longer without reloading.
- Highly competitive first print and copy times of 12 seconds or less provide fast, convenient output.
- Pre-program and store commonly used copy, scan and print settings at the control panel as well as the desktop via the KX Driver to simplify your daily tasks.
- A standard USB Host Interface provides convenient print-from or scan-to capabilities for today's 'on the go' workforce in XPS, JPEG, TIFF, PDF, and PDF/A file formats.

Color Adds Impact to Your Output

The FS-C2626MFP and FS-C2526MFP are the smart choice for users who occasionally add color to their daily business documents as well as those high-impact pieces. Kyocera's advanced KX Driver makes it simple to optimize your color output from the desktop. Increase or decrease saturation, color-correct, or even change your hue. The result is brilliant, accurate, and impactful output every time.

Keeping the Future Green

Kyocera is committed to pursuing a harmonious balance between economic development and environmental preservation. We adhere to the goals of our worldwide Environmental Action Plan in developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising your productivity.

Enhanced MFP Performance... Powered by HyPAS®

The capabilities of the FS-C2626MFP and FS-C2526MFP can be enhanced with unique and scalable business applications,* powered by HyPAS –Kyocera's powerful software development platform. These applications, developed by Kyocera or by our third-party solution partners, allow your business to further optimize your Kyocera ECOSYS MFPs' "out-of-the-box" performance. Kyocera applications transform your multifunctional printer into a powerful resource that suits your existing document imaging and workflow needs today, as well as delivers the flexibility you need for tomorrow.

Kyocera's expanding suite of business applications include:

- **Capture2go** - Mobile printing and scanning for your Apple iPhone, iPad and iPod Touch.
- **AccessLock** - Configure device network authentication and feature authorization utilizing active directory rights set for each individual or work group.
- **SharePoint Connector** - Microsoft SharePoint users can scan documents into their SharePoint folder and search/print directly from the Kyocera ECOSYS MFP control panel.
- **Teaching Assistant™** - Automates the test creation and grading process of 'bubble sheet form' multiple-choice tests for increased accuracy and measurable time savings.
- **DMS Link** - Connect your Kyocera ECOSYS MFP to popular document management systems like SentryFile and Laserfiche for document capture and routing.

*Requires a compact flash card

The **Color Touch-screen Control Panel** puts powerful document processing features at your fingertips. Intuitive prompts, smart keys and on-board help guidance make programming your jobs from the device quick and effortless.

- Full Color Touch Screen Interface
- Color-coded and application hard keys
- Quick # search key for scanning
- Intuitive wizard-based functionality

HyPAS™

Hybrid Platform for
Advanced Solutions

Kyocera Mita America's objective is to manufacture superior products with a low Total Cost of Ownership (TCO) and minimize the impact on the environment. Kyocera's ECOSYS printers incorporate a patented long life drum which is separate from the toner container, eliminating the need to replace the drum when toner is depleted – and reducing landfill waste.

ECOSYS printers provide customers with a printing solution that incorporates long life consumables and one of the lowest costs per print. The operating costs of traditional cartridge-based printers can easily exceed many times the original purchase price during the life of the product. Evaluate your printer costs today.

Basic Specifications

Configuration	Color Multifunctional Printer - Standard Copy, Print, Scan, and Black & White Fax (FS-C2626MFP only)
Pages Per Minute	Letter: 28 ppm; Legal: 23 ppm; A4: 26 ppm; Duplex: 13 ipm (Letter)
Warm-up Time	29 Seconds or Less
First Copy / Print Out Time	Black: 10 Seconds, Color: 12 Seconds / Black: 9.0 Seconds, Color: 10.5 Seconds
Resolution	600 x 600 dpi
Memory (Std / Max)	1 GB RAM / 2 GB RAM
Duplex	Standard Stackless
Electrical Requirements	120V, 60Hz, 9A; 220-240V, 50/60Hz, 4.8A
Typical Energy Consumption (TEC)	FS-C2626MFP: 3.642 KWh/Week; FS-C2526MFP: 3.507 KWh/Week;
Size / Weight	FS-C2626MFP: 20.3" W x 21.7" D x 23.7" H / 85.1 lbs; FS-C2526MFP: 20.3" W x 21.7" D x 22.9" H / 80.5 lbs
Max Monthly Duty Cycle	65,000 Pages Per Month

Paper Supply

Standard Paper Sources	Standard 250 Sheet Paper Drawer, 50 Sheet Multi Purpose Tray
Optional Paper Sources	Up to two (2) optional 500 Sheet Paper Drawers can be added (PF-520 or PF-530)
Paper Capacity	Standard: 300 Sheets; Maximum: 1,300 Sheets
Paper Size	5.5" x 8.5" - 8.5" x 14" (Statement to Legal) via Drawers, 2.8" x 5.8" - 8.5" x 14" via MPT
Paper Weight	Standard Drawers and PF-520: 16 lb Bond - 90 lb Index (60 - 163gsm); MPT and PF-530: 16 lb Bond - 120 lb Index (60 - 220gsm)
Input Materials	Bond Paper, Recycled Paper, Transparencies, Labels, Glossy, Envelopes (print only)

Document Processor

Type / Capacity	Standard Reversing Automatic Document Processor / 50 Sheets (Letter)
Copy Scan Speed	35 ipm Black; 25 ipm Color
Acceptable Originals / Weights	Letter, Legal, A4 / Simplex: 13 - 32 lb Bond (50 - 120gsm), Duplex: 13 - 60 lb Index (50 - 110gsm) Duplex
Paper Size	Letter, Legal, A4, Statement
Paper Weight	16 lb Bond - 90 lb Index (60 - 163gsm)
Duplex Modes	1:2; 2:2; 2:1

Copy Specifications

Image Mode	Text, Photo, Text/Photo, Auto, Graphic/Map, Printer Output, Manual
Continuous Copy	1 - 999 / Auto Reset to 1
Additional Copy Features	Auto Center, Magnification and Auto Paper Select, Combine Image, Auto Start, Priority Copy, 100 Department Codes, 20 Customizable User Logins, Job Programs
Magnification / Zoom	Full Size, 7 Reduction, 5 Enlargement Preset Ratios, 25 - 400% in 1% step increments
Document Box	Job Box for RAM Based Private Print, Removable Memory for Print-from/Scan-to USB

Printer Specifications

Controller	PowerPC 464 / 800MHz
PDLs/Emulations	PRESCRIBE, PCL6 (5e, XL), KPDL3 (PS3), XPS, Novell Print
Fonts	93 KPDL3, PCL6, 8 Vista, 1 Bitmap, 45 Barcodes, 1 PDF-417
Windows OS Compatibility	Windows 2000 / XP / 2003 / Vista / 2008 / 7
Mac OS Compatibility	Mac OS 10.x
UNIX OS Compatibility	Sun OS 4.1.x; Solaris 2.x; AIX; HP-UX (LPR)
Interfaces	Standard: 10/100/1000BaseTX, Hi-Speed USB 2.0, USB Host Interface
Network Print and Supported Protocols	TCP/IP, IPX/SPX, AppleTalk, NetBEUI, IPsec, HTTPS, LDAP over SSL, SNMPv3, Kerberos, NTLM, 802.1x
Drivers	KX Driver, Mini Driver, PPD for Mac, PPD for UNIX
Utilities	PRESCRIBE Utilities, PDF Direct Print, KMnet Admin, KMnet Viewer, Status Monitor, Command Center

Scan Specifications

Scan Type	Color and Black & White Scanner
Scan Resolutions	200, 300, 400, 600, 200 x 100, 200 x 400 dpi
Network Scan Speed	Mono: 300/200 dpi - 35 ipm Simplex; 18 ipm Duplex / 600 dpi - 25 ipm Simplex; 13 ipm Duplex Color: 300/200 dpi - 25 ipm Simplex; 13 ipm Duplex / 600 dpi - 13 ipm Simplex; 7 ipm Duplex
File Formats	TIFF, JPEG, XPS, PDF, PDF/A
Connectivity / Supported Protocols	10/100/1000BaseTX / TCP/IP; Hi-Speed USB 2.0
Scanning Functions	Scan to PC, Scan to e-Mail, Scan to FTP, Scan to USB, WSD Scan, Network TWAIN/WTA
Driver	TWAIN Driver, WIA Driver

Fax Specifications

Fax Type Compatibility	ITU-T Group3
Data Compression	MH / MR / MMR / JBIG
Fax Transmission Selection	Standard / Fine/ Photo
Fax Memory	3.5 MB
Transmission Speed / Modem	Less than 3 Seconds per page / 33.6 kbps
Fax Memory Capacity	256 Sheets
Network Fax Reception	Supports SMB/FTP/e-Mail protocols
Fax Functions	Duplex Transmission/Reception, Dual Access, One Touch Dial (100 numbers), FAX/TEL Switching, Broadcast, Quick Dial (200 numbers), Fax Reports

USB Host Interface

Type	Supports direct printing and scanning from USB Drive
Supported File Types	Print: PDF, TIFF, XPS Scan: PDF, JPEG, TIFF, XPS, PDF/A

Optional Paper Drawers

Paper Capacity	500 Sheets
Max Drawers	Up to two (2) PF-520 Drawers can be installed*
Paper Size	Letter, Legal, A4
Paper Weight	16 lb Bond - 90 lb Index (60 - 163gsm)
Size / Weight	15.4" W x 20.3" D x 4.6" H / 9.5 lbs
Paper Capacity	500 Sheets
Max Drawers	Up to two (2) PF-530 Drawers can be installed*
Paper Size	Letter, Legal, A4
Paper Weight	16 lb Bond - 120 lb Index (60 - 220gsm)
Size / Weight	15.4" W x 20.3" D x 4.6" H / 11.3 lbs

Additional Options

Memory	Optional 512 MB or 1 GB RAM
--------	-----------------------------

*Note: A maximum of two (2) optional Paper Drawers can be added
