

**LANIER**

# LP2275hdn

B / W L A S E R P R I N T E R

*Fast, high-quality printing and finishing*

*Fully featured monochrome laser printing for mid-volume workloads  
in data centers, host printing environments, production printing  
applications, and central reprographics departments*

# Get professional looking documents fast

The Lanier LP275hdn has an aggressive 75 pages per minute print speed and ample 8,200 total sheet capacity to help you meet demanding deadlines. And the professional looking documents created with the LP275hdn's versatile finishing options are sure to impress even your most discerning customers.

## **Maximize your capabilities**

Keeping pace with demanding work environments requires the right resources, like an 8,200 total sheet capacity to ensure big jobs print with minimal interruption. The Lanier LP275hdn also gives you the flexibility to choose paper sizes from 5.5" x 8.5" to 11" x 17". You can even print mass quantities on up to 100 lb. Index using the optional large capacity tray, which has a straight, reliable paper path to reduce paper jams.

## **Manage your time more efficiently**

**Lanier is all about getting more done. Which is why the Lanier LP275hdn gives you all the utilities and features you need to manage workflow and increase productivity—right from your desktop.**

- Configure network settings, check printer status and select finishing options remotely via any standard Web browser with WebImageMonitor™.
- Organize files, combine documents from different applications into a single file for easy printing, and create notes with DeskTopBinder™.
- Provide document security and minimize trips to the printer with Hold Print, which stores all your jobs for on-demand output.
- Store frequently printed documents and forms on the system's hard drive, then walk up and print them at your convenience with Stored Print.
- Output duplex copies at nearly 100% of simplex speed with standard stackless duplexing.
- Get your prints faster with PDF Direct Print, which doesn't expand the files but sends them directly to the printer in PDF format without opening the application.

*The Lanier LP275hdn offers a valuable combination of speed, capacity, and professional grade finishing.*

## Cover Interposer – Optional

Insert preprinted covers into documents automatically with the optional Cover Interposer.

## Saddle Stitch Finisher – Optional

Save money when you create professional style booklets in-house with the optional Saddle Stitch Finisher.

## Large Capacity Tray – Optional

Increase capabilities with the optional Large Capacity Tray, which allows you to print on up to 100 lb. Index. It also creates a straight paper path for reliably printing mass quantities and cover weight papers.

## Easy Access Trays

Increase productivity with multiple, easy access trays that yield an 8,200-sheet paper supply.

## Put your best documents forward

From proposals to manuals, memos to informational booklets, the Lanier LP275hdn's wide array of finishing options gives your documents the professional look you need to gain an edge over the competition.

- Save money when you produce affordable, commercial-style manuals in-house with the Saddle Stitch Finisher.
- Ensure your hole-punched documents will line up perfectly using the Reactive Punch Unit, which automatically and correctly positions paper prior to punching.
- Combine up to 100 sheets easily with the SR842 Stapler Finisher.
- Eliminate manual assembly when you insert thick stock or preprinted covers automatically with the optional Cover Interposer.

## Process jobs quickly and securely

The Lanier LP275hdn next generation controller processes multiple jobs in networked environments with ease. And the fast 866MHz controller not only processes jobs quickly, but also provides enhanced security features.

- Ensure that sensitive prints aren't left in output trays with Locked Print, which requires a password to be entered at the printer prior to printing confidential materials.

## Make the right connections and integrate seamlessly

Networking is no problem with standard Ethernet 10/100Base TX and USB 2.0 interfaces. The Lanier LP275hdn is also configured with the latest Page Description Languages to make working with popular business and graphics applications easy.

Produce professional—yet affordable—manuals and booklets in-house with the Saddle Stitch Finisher.

## Your Environmental Partner

Lanier continues its long-standing commitment to developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising productivity.

## SPECIFICATIONS

### MAIN UNIT

<b>Configuration Technology</b>	Console-type attached base unit Twin laser beam scanning & Electro-photographic printing with dry, dual Component toner
<b>Resolution</b>	1200 x 1200/600 x 600/300 x 300
<b>Print Speed</b>	75 ppm (LT)
<b>First Print Speed</b>	5.5 seconds or less
<b>Dimensions (WxDxH)</b>	27.1" x 31.1" x 39.5" (without finisher & call-light)
<b>Weight</b>	414.4 lbs. (without toner & finisher)
<b>Warm Up Time</b>	300 seconds
<b>Power Source</b>	120V/60Hz/20A
<b>Power Consumption</b>	1850W or less
<b>Standard Paper Capacity</b>	4,200 sheets
<b>Optional Paper Capacity</b>	4,000 sheets
<b>Maximum Capacity Acceptable Paper Sizes</b>	Standard Trays: Tray 1: 8.5" x 11" (A4) Tray 2 and Tray 3 Standard sizes: 5.5" x 8.5", 8.5" x 11", 7.25" x 10.5", 8" x 10.5", 8" x 13, 8.5" x 14" and 11" x 17" Tray 2 and Tray 3 Custom sizes from 5.5" x 5.5" to 11.69" x 17"
<b>Standard Acceptable Paper Weights</b>	16 lb. Bond – 34 lb. Bond (60 – 128g/m <sup>2</sup> )
<b>Duplex Paper Weight</b>	20 lb. Bond – 34 lb. Bond (64 – 128g/m <sup>2</sup> )
<b>Standard Output Capacity</b>	500 sheets (face down)
<b>Optional Output Capacity</b>	3,000 sheets
<b>Automatic Duplexing</b>	Standard

### CONTROLLER SPECIFICATIONS

<b>CPU</b>	866 MHz
<b>Printer Languages</b>	PCL 5e/6 emulation, Adobe®PostScript®3™, PDF, RPCS 256 MB
<b>Memory (RAM)</b>	256 MB
<b>Standard Interfaces</b>	USB 2.0, 100Base-TX/10Base-T Ethernet
<b>Optional Interfaces</b>	IEEE 1284, IEEE 802.11b, Gigabit Ethernet, USB Host
<b>Network Protocols</b>	TCP/IP, IPX/SPX, AppleTalk
<b>Standard Print Utilities</b>	SmartDeviceMonitor for Admin, Printer Utility for Mac, DesktopBinder Lite, Font Manager 2000
<b>Optional Print Utilities</b>	DeskTopBinder Professional

### DRIVERS/OPERATING SYSTEMS

Windows 95/98SE/NT4.0/2000/Me/XP/Server 2003  
Netware 3.12, 3.2, 4.1, 4.11.5.0, 5.1, 6  
Unix (using Lanier UNIX filter)  
Linux RedHat Linux 6.x, 7.x, 8.x, 9, and Enterprise  
Mac OS 8.6 – 9.2x, OS X 10.1 or later  
USB print is supported for Mac OS X v.10.3.3 or later  
For Mac OS: Plug-in function for Sample Print, Locked Print and User Code is supported 10.2 or later

### CONTROLLER OPTIONS

<b>Controller Options</b>	802.11b Interface Unit Type I Gigabit Ethernet Board Type A IEEE 1284 Interface Board Type A Data Overwrite Security Unit Type G VM Card Type D*
---------------------------	--

\*Used for adding Java applications integrated into the device by Developer Program members.

### CONSUMABLES & YIELDS

Lanier Toner Type 6002/7502 – 43K LT pages at 5% toner coverage per bottle (Yield based on 8.5" x 11" (A4) pages at 6% toner coverage)  
Staple Set Cartridge CSC860A  
Staple Refill Cartridge CSC860B  
Staple Set Cartridge CSC810A  
Staple Refill Cartridge CSC810B  
Staple Set Cartridge CSC760A  
Staple Refill Cartridge CSC760B

Lanier Consumables: For maximum yield and performance, we recommend using genuine Lanier parts and supplies.
