SP204SF

22^{B/W}
ppm

a desktop MFP running at a fast 22 cpm

In need of increased productivity for your home/small office? The new B/W laser multifunction printer SP204SF is compact enough to fit on your desktop, yet packed with print, scan and fax features. You are off to a flying start with a fast print speed of 22 pages per minute. Remarkably easy to operate, your device comes connects to your PC via USB and is guaranteed to provide many years of service.

Productive and efficient

With a short warm-up time of less than 25 seconds and a fast print speed of 22 pages per minute, these devices will boost your office productivity. The paper tray takes 150 sheets. Manual duplex enhances productivity and saves paper.

Easy to operate

The SP204SF is designed for ease of use. The clear, 2-line LCD operation panel provides easily readable instructions. Print status is clearly visible at all times.

Create professional documentation

Print at a resolution of 1,200 dpi to create professional-looking documents. Scan in high-resolution colour. Email scans, or send them directly to a PC. Copy both sides of an ID card onto one side of paper. Print with an embedded watermark.

transform your office productivity and reduce costs

Budget-friendly

The long-lasting, high-yield, All-in-One toner cartridge reduces operating cost. This makes these devices affordable investments for cost-conscious home and small offices.

Compact and reliable

Take advantage of their small footprint and simply place the SP204SF on your desktop. In addition, these devices are robust and durable for many years of reliable use.

USB connection and faxing

Enjoy seamless USB connection and fax quickly and efficiently with the Super G3 modem.

Environmentally responsible

At Lanier we help you lower your environmental footprint. The SP204SF includes environmentally responsible features such as a short warm-up time and increased toner yield.
