Easy. Smart. Fast.

High performance monochrome MFPs for large workgroups

LEXMARK™

XS658dfe

Why Lexmark?

Founded from an IBM heritage in Lexington, Kentucky, in 1991, Lexmark is one of the few American companies to own, develop and market inkjet, laser and color laser print technologies. Lexmark is poised to deliver on its promise to produce quality, dependable products well into the future.

We listen to our customers and **we deliver solutions.** Raise your expectations, because **we are raising the bar.**

Lexmark cares

When it comes to our planet, we know there is no substitute. We strive to provide industry-leading environmental practices that relate not only to our products, but also to everything we do, everywhere in the world. For more details on our environmental, health and safety practices, visit our website at www.lexmark.com.

Lexmark products, solutions and services provide **innovative** ways to save you time, drive down costs and reduce your impact on the environment. To read about our customers, visit **www.lexmark.com**/casestudies.

LEXMARK™

Outstanding Performance

Be more productive

- High-performance, space-saving multifunction laser
- Unique business solutions help you work smarter, not harder
- Intuitive, customizable touch screen for effortless operation
- Secure erase and data encryption for peace-of-mind
- Advanced media handling, including labels, card stock, envelopes and more
- High-capacity cartridges reduce printing costs and run longer with less waste

Lexmark's multifunction devices are Easy. Smart. Fast.
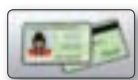

e-Task interface

The Lexmark e-Task interface is the entry point to your Lexmark multifunction device. It's a customizable touch screen with capabilities for high-demand multitasking. The e-Task interface requires virtually no set-up or installation and can be easily integrated with your network.

Lexmark's workflow software enables your business to print less, move more information fast, and manage documents more effectively.

embedded Solutions Framework (eSF)

Lexmark's eSF gives you control to accomplish a variety of tasks from the multifunction device, through an intuitive Java®-based platform. We offer a wide variety of embedded applications such as:

Card Copy - This innovative feature helps save paper and time by copying both sides of an insurance or ID card onto the front of a single sheet of paper.

Customer Support Application - An icon on the e-Task interface will link directly to your dealer's contact information for quick and easy service and supplies calls.

Remote Copy - Users can scan a document in full color from the mono MFP to be printed on a remote Lexmark color printer.

Forms on Demand - Users choose and then print selected forms right from the MFP touch screen.

Eco Copy - This innovative feature helps save paper and toner, helping offices run more efficiently.

Custom Prompts - This application allows users to create up to six custom prompts. User input is stored on a network directory, allowing for easy integration into many electronic document management systems.

Java is a registered trademark of Sun Microsystems, Inc.

Lexmark keeps you secure

Lexmark's MFPs and printers support industry best practices for network device protection, and Lexmark's enhanced security features seamlessly help protect user data without sacrificing performance.

- Confidential print
- Operator panel lock
- Secure data encryption and disk wiping
- MFP lockout
- IPSec, SNMPv3 and 802.1x network security
- IPV6
- Secure user authentication
- Industry-leading access restrictions, including LDAP
- HTTPS
- Proactively tracks and identifies security risks
- Physical locking capabilities (Kensington™)

Vertical Solutions

Lexmark offers a wide variety of bundled software solutions to help customers be more productive and work smarter.

Education
Solution integrated into the educational space where classroom testing and paperwork tasks can be performed with just one touch. Consists of Scan to Classroom, Print Test, Grade Test and Forms on Demand.

Healthcare
Solution for the healthcare industry designed to save clinicians time and improve patient care by streamlining common healthcare workflow processes. Consists of Scan to EMR, Physician Order Routing, Forms on Demand and Card Copy.

Insurance
Bundle of applications to help an insurance company improve its common paper workflow process. Consists of Insurance Forms, Insurance Card Copy, Scan to Network, Eco Copy and Background/Idle Screen.

Network management

Easy network management is accomplished by well-designed tools that facilitate device administration—streamlining workflow in daily business operations. We understand networks.

Lexmark MarkVision Professional provides network administrators with timesaving and easy-to-use print management applications.

The **Lexmark embedded web server** provides administrators access to embedded web pages in order to view, monitor and configure the multifunction device directly from the user's computer.

Work faster

Scanning capabilities

Lexmark provides a variety of scanning options, in monochrome and color. It is a fast, convenient way to communicate with colleagues and customers by scanning documents to your e-mail, desktop, network folder or FTP.

Scan Preview - Preview document prior to sending to ensure accuracy.

Scan to E-mail - With a single touch of a button, easily scan your paper based documents to e-mail accounts or groups. Seamlessly integrates into your corporate LDAP directory.

Scan to Desktop - Multiple ways to scan documents to a PC/desktop. The scanned file can be sent to an individual workstation via web browser, ScanBack utility, local or network TWAIN driver or scan to network embedded solution.

Scan to FTP - Ideal way to archive and share large files with multiple people.

Scan to Network - Users can scan documents to a shared network folder or to a desktop with the click of a button, saving space on the server and improving productivity.

LDAP/Active Directory can be used by the MFP to authenticate user credentials, and to look up e-mail or fax numbers from the corporate directory during scan-to-e-mail or scan-to-fax operations.

Quickly and easily scan and archive documents in a wide variety of file formats including: TIFF, MTIFF, JPEG, PDF and XPS.

with additional
paper drawer
and integrated
card reader

1	2	3	4	5	6
Single-Pass Duplex Scanning	**9-inch Color Touch Screen**	**Direct USB**	**Easy Authentication**	**Staple Smart II™ Finisher**	**Paper Possibilities**
Scan two-sided mono or color jobs fast with up to 75-sheet capacity ADF	Easy access to a rich range of functions and features	Front USB port for walk-up printing and scanning to memory device of certain file formats	Can be customized with an integrated card reader option for security and ease of use	Staples sets of up to 50 pages	Standard input drawers hold up to 550 sheets each, maximum input is up to 2,300 sheets

Space-saving design provides small footprint with exceptional performance.

Product Configurations

Configurations	XS658dfe - with StapleSmart II™ Finisher	XS658dme - with 4-bin Mailbox
Speeds	**Black:** Copy, Print, Scan up to 55 ppm	

Paper Handling	Paper Capacity:
	    Standard Input: 1,200 (550 + 550 + 100 Bypass)
	    Standard Output: 1,050
	    Maximum Input: 2,300 (550 + 550 + 550 + 550 + 100 Bypass)
	    Maximum Output: 1,050
		Paper Capacity:
		    Standard Input: 1,200 (550 + 550 + 100 Bypass)
		    Standard Output: 1,050
		    Maximum Input: 2,300 (550 + 550 + 550 + 550 + 100 Bypass)
		    Maximum Output: 950

	Media Information:
	    Types: Plain Paper, Paper Labels, Card Stock, Transparencies, Envelopes, Vinyl Labels, Polyester Labels, Dual Web and Integrated Labels
	    Size: Letter, Legal, A4, A5, JIS B5, Executive, Folio, Statement, Universal (2.75 in. x 5 in. to 8.5 in. x 14 in.), Envelopes (7-3/4, 9, 10, DL)
	    Weight: Plain Paper: 16 to 36 lb. (60 to 135 g/m²); Card Stock: Up to 90 lb. Index (163 g/m²)	

	ADF Capacity: Up to 75 sheets	
Copy	**Memory:** 256MB/1280MB **Time to First Page:** As Fast as 7.5 seconds **Copy Resolution:** Up to 600 x 600 dpi **Copy Features:** Reduce/Enlarge (25-400%), Paper Saver (2-up and 4-up), Collation, Darkness Adjustment, Original Size to Output Size Selection, Copy Select 1-999, Date/Time Stamp, Single-pass Duplex, Message Overlay, Priority Copy (Job Interrupt), Copy Countdown	
Print	**Resolution:** 2400 Image Quality **Processor:** 600 MHz **Hard Drive Size:** 80GB **Connectivity (Standard):** Ethernet, High Speed USB-A, High Speed USB-B, USB Direct Interface **Connectivity (Optional):** Parallel, Serial, Wireless, Card Reader	
Fax	**Resolution:** 200 x 100 dpi, 200 x 200 dpi, 300 x 300 dpi, 600 x 600 dpi **Fax Features:** Fax Redirect, Group Fax, Manual Fax, Fax from PC, up to 512-Character Shortcuts, Fax Preservation, LDAP Look-up, Caller ID, Speed Dials, Block Junk Faxes, Broadcast, Fax Shortcuts, Fax Forwarding	
Scan	**Scan Features:** Resolution: up to 600 x 600 dpi Black and Color **Scan Destinations:** USB Thumb Drive, E-mail, FTP, LDSS, Network or USB Connected Computer, Windows Network Folder **File Formats:** TIFF, MTIFF, JPG, PDF, XPS	
Supplies Yield	**Toner Cartridges:** These models ship with an 30,000*-Page Yield Print Cartridge. Aftermarket 36,000*-Page Extra High Yield Print Cartridge available. *Based on approximately 5% print coverage. Yields may vary based on actual customer usage.	
Recommended Monthly Volume	5,000 - 30,000 Pages per Month
