This is a Class A device according to international electromagnetic emissions standards (i.e. FCC Rules, EN 55022/EN 55032, etc.). Class A products are intended for use in non-residential/non-domestic environments. Use of a Class A product in residential/domestic environments may cause interference to radio communications and require corrective measures.
Lexmark XM7355

With monochrome output up to 55 ppm*, long-life imaging components, Ultra High Yield toner capacity, exceptional durability, and complete finishing options, the Lexmark XM7355 is designed for speed and uptime. A 10-inch class/25-cm touch screen with e-Task interface keeps you informed and in control, whether you connect via Ethernet, USB or mobile.

Ready when you are
- Long-life fuser and imaging components extend uptime.
- Unison™ Toner replacement cartridges deliver up to 45,000 pages** of high-quality printing.
- Steel frame and durable design stands up to heavy use and harsh environments.

Get more done
- Powerful 1.2-GHz quad-core processor and up to 6 GB of memory drives printing at up to 55 ppm* and scanning at up to 150 sides per minute.
- Robust paper handling includes reliable feeding of a wide range of media types and sizes and up to 1200 sheets of standard input.
- Connect via Ethernet, USB, or simple mobile printing options.
- Staple and hole-punch finishing options add a polished and professional look.

Interact with ease
- Intuitive 10-inch class/25-cm color touch screen offers smooth, tablet-like interaction with customizable convenience and productivity apps.
- Front access to the paper path and power button means you’ll virtually never have to access the back of the device, allowing placement in or on cabinets.
- Innovative serviceability features, starting with single-door access to parts and supplies, help you resolve problems quickly.

Full-spectrum security
- Lexmark’s full-spectrum security architecture helps keep your information safe—in the document, on the device and over the network.
- Keypoint Intelligence - Buyers Lab honored Lexmark with a prestigious BLI PaceSetter award for Document Imaging Security***.

Built for planet earth
- Energy management features reduce power consumption in active use or sleep mode.
- Standard two-sided printing saves paper.
- Device is rated EPEAT® Gold and ENERGY STAR® certified.
- Recycle cartridges through the award-winning Lexmark Cartridge Collection Program (LCCP).

*Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds.
**Average yield based on approximately 5% print coverage.
***Award based on North America and/or Western Europe data.

This is a Class A device according to international electromagnetic emissions standards (i.e. FCC Rules, EN 55022/EN 55032, etc.). Class A products are intended for use in non-residential/non-domestic environments. Use of a Class A product in residential/domestic environments may cause interference to radio communications and require corrective measures.

①Average standard page yield value declared in accordance with ISO/IEC 19752. ②"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark’s product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ③"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. "Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⑦Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⑨Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⑨Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details.
