

XS730 Series

If you want to make an impact with color but need the competitive advantage of multifunction efficiency too, then get to know the Lexmark XS730 Series. It not only prints, copies, scans and faxes both in black and color, but also provides outstanding performance and value. You can count on speed, reliability, versatile paper handling, customized solutions and a rich range of features - all easily accessible via Lexmark's award-winning color touch screen. Experience the giant benefits of a color copier, without the giant size.

High-volume color MFP for midsized to large and workgroups

Lexmark XS736de

- Print, copy, scan and fax up to 35 ppm in black and color
- Boost efficiency with rapid duplex scanning
- Get your print and copy jobs faster with the instant warm-up fuser
- Eliminate paper-intensive processes by scanning to various destinations
- Save time with advanced copy functions, including copy shortcuts, ID card copy, proof-then-copy (hard disk required) and others
- Produce stunning graphics and images with Lexmark's advanced color
- Add stackable input drawers or a high-capacity feeder to run longer
- Secure data encryption and disk wiping
