

MB472w Mono MFP

OKI®

The perfect mono MFP for desktop applications:
fast, full-featured and environmentally friendly

OKI and The Environment

- LED Technology** Long print head life, high efficiency
- ENERGY STAR® Compliant** Superior energy efficiency
- Duplex (2-Sided) Printing** Saves energy and resources
- Deep Sleep Mode** Lowers power to save energy (<2W)
- Auto Power Off** Saves power during periods of non-use
- Separate Toner and Drum** Less disposable material
- Toner Save Mode** Extends life of toner cartridges

The MB472w from OKI® gives you all the functionality, reliability and productivity features you want – including wireless LAN.

Highlights:

- Professional, affordable solution—print, copy, scan and fax
- Compact design, ideal for small office or small workgroup
- Ethernet and USB connectivity standard, including walk-up USB slot
- Wi-Fi CERTIFIED™ wireless connectivity standard
- Fast black & white printing and copying at up to 35 ppm¹
- Duplex (2-sided) printing/copying standard
- Color scanning with send-to functionality
- Encrypted Secure Print function for protected printing – ensures document confidentiality
- ID Card Copy for simple copying of double-sided ID cards on a single sheet
- 3 GB memory²
- Operator panel with backlit 3.5" LCD display, 1-touch function buttons, alphanumeric keypad
- Full QWERTY keyboard
- 50-sheet duplex reversing automatic document feeder (RADF) – scans both sides
- ENERGY STAR® compliant
- Upgradable paper capacity with 530-sheet second tray
- 1-Year limited On-Site warranty³
- Live, toll-free technical support 24/7/365³

Everything the small workgroup requires –

The MB472w from OKI combines black & white printing, copying, faxing, and color scanning. This affordable, professional wireless multifunction printer with a print speed of 35 ppm¹ doesn't compromise on performance or print quality.

Easy to use, it has a 3.5" graphic display, intuitive menu system, and a QWERTY keyboard to simplify data and email address entry. Choose the toner capacity to suit your business needs: a standard 3,000-page cartridge or high-capacity 7,000-page cartridge with lower running costs.

Sharing files and documents is a snap – Place your document on the flatbed platen or in the 50-sheet duplex reversing automatic document feeder (RADF) and USB- or network-TWAIN scan it in color or black & white to your PC or Mac. Save and send the electronic version to a folder on your PC, the network, or FTP site, as an attachment to an e-mail address or as a fax.

LDAP provides direct access to contact and email data from an existing directory server, saving time and improving the reliability of document delivery. The Job Build function enables a number of different documents to be scanned, creating a single document for output.

The MB472w also offers robust fax features, including Internet (T.37) faxing, one-touch dialing, distinctive ring, and an Auto Delivery feature that routes all incoming faxes to a folder or to specified e-mail addresses.

Printing wirelessly and on the go – The MB472w has USB 2.0, 1 GB Ethernet interfaces and is Wi-Fi CERTIFIED™ a/b/g/n standard. It supports cloud/mobile solutions such as Google Cloud Print™, AirPrint™ for Apple iOS and OKI Mobile Print app for Android® devices.

Further enhance your productivity – The MB472w has a Job Macro function (accessible right on the operator panel) that records and instantly recalls frequently used tasks and settings—automating them for increased productivity and efficiency.

Energy-efficient operation – To help control costs, the MB472w comes with duplex (2-sided) printing/copying standard, so you save paper and energy. It features energy-saving Deep Sleep mode—which reduces energy consumption to 1.9 watts or less! It will even shut itself off after a period of inactivity (adjustable to 24 hours)—so you pay even less on energy costs.

And, for ongoing savings, the 2-piece consumables configuration lets you replace just a toner cartridge when you need to, instead of the toner cartridge *and* the image drum.

Backed by legendary support – If you need technical assistance, you can speak to a live expert located in North America by calling 800.OKI.DATA (800.654.3282).³ That's 24/7/365.

The MB472w Mono MFP from OKI: the perfect mono MFP for your desktop applications—fast, full-featured and environmentally friendly.

The MB472w MFP at a Glance

Operator Panel: 3.5" backlit LCD display; 1-Touch function buttons; Alphanumeric keypad

Specifications

Printer	
Print Speed	Up to 35 ppm ¹
Duplex Print Speed	Up to 17 ipm ¹
Time to First Page	As fast as 5 seconds ¹
Print Resolution	Up to 1200 x 1200 dpi
Processor Speed	667 MHz
Monthly Duty Cycle	Up to 60,000 pages
Recommended Montly Print Volume	250–3,000 pages
Emulations	PCL [®] 6, PCL 5e; IBM [®] PPR; EPSON [®] FX; XPS
Operating Systems	Microsoft [®] Windows [®] 8.1, Windows 7, Windows Vista [®] , Windows Server 2012 R2, Windows Server 2008 R2, Windows Server 2003; Mac [®] OS 10.6.8 – 10.9
Connectivity	Standard – High-Speed USB v2.0 (Device and Host), 1 Gigabit Ethernet (10/100/1000 Base-TX); IEEE802.11 a/b/g/n Wireless
Duplex (2-Sided) Printing	Standard
Copier	
Copy Speed	Up to 35 cpm ¹
Duplex Copy Speed	Up to 16 ipm ¹
Time to First Copy	As fast as 10 seconds ¹
Copy Resolution	Up to 600 x 600 dpi
Copy Scaling	25% to 400%
Copy Quantity Selection	1–99
Duplex (2-Sided) Copying	Standard
Copy Functions	ID Copy; Collate; n-Up; Mixed originals; Edge erase
Scanner	
Scan Type	Color CIS
Document Input	50-sheet Duplex Reversing Automatic Document Feeder (RADF); Single-sheet flatbed scanner
Scan Speed	As fast as 2 sec./page Black & White; as fast as 6 sec./page Color ¹
Scan Resolution	600 dpi
Scan-to	Folder (CIFS/FTP/HTTP), E-mail (with LDAP support), USB memory, PDF, Secure PDF, High compression-PDF, S-TIFF/M-TIFF (RAW/G3/G4 Compressed), JPEG, XPS, Scan to computer (with Actkey)
Fax	
Fax Modem	33.6 kbps Super G3
Connectivity	RJ11 x 2 (Line/Tel), PSTN, PBX Line
Fax Memory	4 MB (approx. 200 pages ²)
One-Touch Dials	16 (8 x 2 using Shift key)
Speed Dials	Up to 300 locations; 20 groups
Fax Functions	On-hook dial; Redial; Fax from PC; Fax to fax server; Internet Fax (T.37); Auto Fax/Tel switch; Distinctive ring detection; Automatic Tray select for Fax print; Block junk FAX; Edge erase; Automated delivery; Duplex scan/print
