

Heavy-duty, high speed 24-pin printer for high volume printing with superb print quality

High quality, high speed printing perfect for demanding environments

The ML395B is built to deliver high speed, high quality output, relentlessly. Their robust design and flexible paper handling make these impact printers perfect for the high volume production of invoices, picking lists, labels, shipping documents and spreadsheets.

Flexible media and forms handling

The ML395B will top feed cut sheet paper and has an on-board rear push tractor as standard to feed, single or multipart, continuous paper. Zero-tear functionality eliminating wastage between forms by automatically advancing a printed page to the perforation and lets you tear it off cleanly and precisely. The ML395B then automatically positions the next page ready for printing.

Bottom feed is available for heavier paper or labels, presenting the flattest possible paper path to reduce the possibility of labels peeling from their backing paper. This will require the optional, top mounted, pull tractor to be fitted or the optional power push tractor if zero-tear is required.

Heavy duty printing you can rely on

Boasting heavy duty motors, powerful drive circuits and impressive 607 characters per second (cps) maximum print speed the ML395B will blastthrough spreadsheets and reports in no time. Its long life 24-pin print head delivers superb quality graphics and crisp, clear "Letter Quality" (LQ) text.

Using multi-part carbon paper up to 4 copies can be printed simultaneously making the ML395B very efficient at document production.

OKI's commitment to customers

The OKI brand is one of proven reliability and value. With almost half a century of experience in the impact printer industry, you are guaranteed proven reliability, best-in-class performance and great value for money products. And, for total peace of mind, just register your product and take advantage of our extended three-year warranty at no extra cost.

Highlights:

- 136 column dot matrix printers
- Up to 607 characters per second (cps) print speed
- Letter quality, heavy duty 24-pin print head
- Multi-part paper-handling (original + 3 copies)
- Zero-tear with auto forms advance
- Scalable barcodes and text fonts built-in
- 5 million character mono ribbon life
- Epson LQ, IBM ProPrinter X24E/X24E AGM emulations
- Centronics parallel and RS232C interfaces
- Three-year warranty as standard (product registration required)

Variants available:
ML395B
Mono version
ML395C
Colour version

ML395B and ML395C - Dot Matrix Printers

PRINTER	
Number of pins	24
Columns	136 (10cpi); 272 (maximum in compression mode)
Character pitch	10/12/15/17.1/20 pitch and proportional
Graphics resolution	Up to 240 x 360dpi
Print speed	Fastest Print Speed: 607cps; Utility: 486cps (12cpi), 405cps (10cpi); Letter Quality: 162cps (12cpi), 135cps (10cpi)

INTERFACE AND EMULATIONS	
Interfaces	Centronics parallel interface, Serial RS 232C
Emulations	Epson LQ, IBM ProPrinter X24E/X24E AGM
Typeface & font	HSD, Utility, NLQ, Courier, Roman, Swiss, Swiss Bold, Prestige, Gothic, Barcodes
Typestyle	Emphasised, Enhanced, Double Width, Double Height, Italics, Superscript, Subscript, Underline, Overscore

PAPER HANDLING	
Continuous paper	76 - 406mm
Continuous envelopes	239 x 102mm
First printable line (from top of page)	Continuous (multi-parts): 23.3mm; Cut sheet (single sheet): 25.4mm
Copy capability	Up to 1 original + 3 copies
Paper feeding	Paper parking, Zero tear-off, Semi-autoload single sheet, Rear push tractors
Optional paper feeding	Pull tractor, Bottom power push tractor

Consumables Information: Only use genuine OKI Printing Solutions Original consumables to ensure the best quality and performance from your hardware. Non OKI Printing Solutions Original products may damage your printer's performance and invalidate your warranty.

3 Year On-site Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed by independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years at no extra cost to you. Simply register your product within 30 days of purchase to be eligible for our unique all inclusive offer. For further information please visit www.oki.co.uk/warranty or www.oki.ie/warranty. Without registration, the standard pan-European 1 year return to base warranty applies.

GENERAL FEATURES	
Input buffer	23Kbytes
Power supply	Single phase 220 to 240VAC, +/- 10%, frequency 50/60Hz, +/- 2%
Power consumption	Operating: 300W; Non-operating: 60W
Noise level	58dB(A); 56dB(A) (quiet mode)
Dimensions (HxWxD)	180 x 570 x 417mm
Weight	17kg approx
Print Head life	200 million characters (average) in 10cpi Utility mode at normal 25% duty cycle, 35% page density
Reliability	MTBF: 8,000 hours (duty cycle 25%, page density 35%)
Warranty	3 years extended warranty upon registration within 30 days of purchase
Product order numbers	ML395B: 00035719

ACCESSORIES (ORDER NUMBERS)	
Pull Tractor	09002377

CONSUMABLES (ORDER NUMBERS)	
Black Ribbon (5 million characters)	09002311
