

# Get the ultimate protection plan

## SHG7 Shredder

**Safeguard your confidential information with powerful High Security shredding technology**

In today's busy office environment, sensitive documents can get thoughtlessly tossed in the trash, putting your business in real jeopardy. Make it easy for employees to properly dispose of confidential records with the SHG7 shredder from Pitney Bowes. Designed for the office that requires High Security shredding, the SHG7 provides the quality, versatility and durability you won't find in the shredders sold by the office superstores. With its quiet operation, the SHG7 will reliably provide Level 6 shredding (Meets and exceeds NSA/CSS 02-01 and is DOD compliant) giving you the additional level of security you require. And peace of mind that comes with knowing your company information is being properly protected.

## High security

- Meets and exceeds NSA/CSS 02-01 and is DOD compliant to shred all levels of classified paper waste (level six)

Equipped with PIPS—Personal Injury Protection Shield—to reduce the risk of catching unwanted items into the Shredding path.

## Benefits

- Automatic Oiler for continuous trouble free maintenance
- Integrated PIPS (Personnel Injury Protection Shield) for worry free shielded operation
- i-control: system instantly informs user of shredder status
- DLS: adds to long-term, trouble-free use by giving visual feedback to the user with regard to load capacity
- EcoLogic: energy efficient

## Technical Data

Shred size (in)	1/32" x 11/64"
Shred size (mm)	8 mm x 4.5 mm
Amount of users	10+ users
Shred type	Cross-cut
Security level	6 – Meets and Exceeds NSA/CSS 02-01 Specifications
Capacity	Up to 11 sheets* (11 sheets at 29 reams / hr.)
Speed	45 ft. per minute
Throat size	16"
Power supply	120V – Requires a dedicated 20 amp service
Power consumption (kW)	1.9
Power consumption (Hp)	2.5
Noise level	52 db (A)
Width (in)	26"
Depth (in)	22"
Height (in)	41 3/8"
Weight net (lb)	198 lbs.
Packaging type	Carton and Pallet
Packaging dimensions	30" x 34.7" x 47.2"
Packaged weight (lbs)	274 lbs
Accessories included	4 gallons of maintenance oil†, 100 PB4 bags, shred box

\*20-lb. Bond = 75g/m<sup>2</sup> sheet. Capacities vary depending on paper weight, quality, amount of ink coverage, and a sufficient power supply.

120V – Requires a dedicated 20 amp service
