**Full Colour Multi Function Printer** 

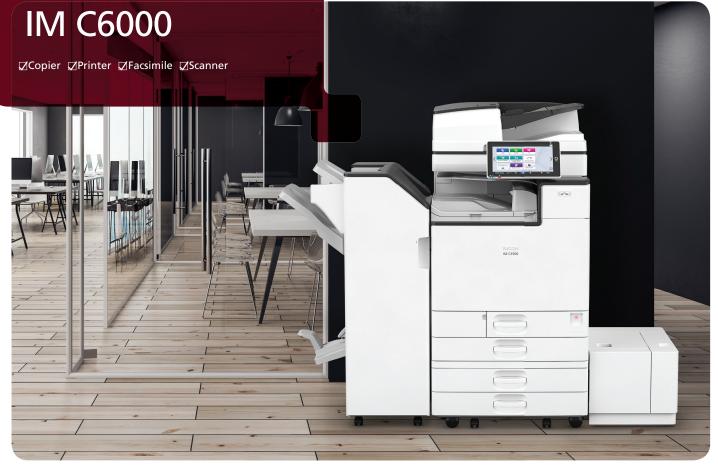

RICOH

IM C3000

**IM C3500** 

**IM C4500** 

Welcome to a new era of technology that keeps your workplace up to date with Ricoh IM C3000 / C3500 / C4500 / C6000 range of intelligent devices. Device and technology that is designed to grow and adapt, just as your business does.

Today's workplace needs to be ready for tomorrow. Ricoh Intelligent Devices provide smooth access to functionality upgrades and productivity enhancements when they are released, without needing to change your hardware. Turn your device into a powerful hub that helps you manage information workflows efficiently, using technology that is scalable, secure, sustainable and simple.

#### Now is the time to:

- Protect your devices with easy access to security updates
- Take advantage of easy productivity upgrades at your own pace
- Save costs by bringing high-standard quality print output in-house
- Maximise productivity with streamlined workflows

Outstanding Achievement in Innovation for Ricoh Intelligent Scanning

**Ricoh IM C4500**Outstanding 45-ppm Colour Copier MFP

## **Excellent Performance with the Best Quality Output**

# **Greater Control of Scan** and Colour Management

Scanning of smaller sized documents can be easily done with the new small sized paper scan unit. The double feed detection unit helps to improve scan accuracy while the EFI controller enhances colour management. Now, you can also create professional grade flyers at your own convenience with our inner multi-folding unit.

### **Seamless User Experience**

Our intelligent devices offer efficient working and reduced user intervention by expanding paper capacity. Choose from our versatile finishing and paper options for a professional touch to save time and reduce outsourcing expenses. With Ricoh Intelligent Support, experience maximum device uptime and minimal disruption across all your devices.

### **Maximise Cost Savings**

Enjoy lower running costs and reduced energy consumption thanks to environmentally friendly low TEC (Typical Electricity Consumption) values. Furthermore, take advantage of Ricoh Intelligent Support services that anticipate potential issues, avoiding interruptions and prolonging the optimal performance of your device – avoiding the need for intervention by more costly IT resources.

# **Next-level Productivity** with Smart Operations

Interact with the 10.1" Smart Operation Panel like a typical smart device and configure it for quick and easy access to apps you use most often. A variety of mobile connectivity options enable printing or scanning to the office network or cloud from a smart device with built in support for NFC, AirPrint or Mopria. All this underpinned by a unique suite of support apps from Ricoh Smart Integration.
