Expand your business with customised convenience

Who says staying ahead of the competition is difficult? It's easy when you can give your customers the information they need – in multiple formats and multiple ways – quickly and securely. Perform everyday office tasks, including advanced printing, scanning, copying and faxing, from the versatile RICOH MP 2554/MP 3054/ MP 3554 series.

Are projects piling up? Save time with preset shortcuts to frequently used document tasks. You use your smartphone every day. Why not use it to print documents from wherever you are? Worried about security? Set up user authentication so only authorised users can see and print jobs. You can even monitor user activity and energy consumption remotely, and make strategic changes to simplify work and reduce costs even more.

- Produce up to 35 pages per minute
- Connect from anywhere using location-free mobile printing
- Simplify workflow and perform more tasks without increasing footprint size
- Complete more types of jobs with flexible media handling
- Minimise operating costs with energy-saving efficiency

Move from job to job effortlessly

Fully featured with advanced tools to make your workday easier

Smooth transition between jobs

You can easily transition between jobs with the RICOH MP 2554/MP 3054/MP 3554 series. Recovery time from sleep mode is less than 5 seconds, so you don't have to stand around waiting when you need to send documents quickly. Print up to 35 monochrome pages per minute on a wide range of media and handle almost any job. You can also scan up to 80 colour or monochrome images per minute with minimal manual intervention using the standard 100-sheet Automatic Reversing Document Feeder (ARDF).

Intuitive and easy navigation

With the RICOH MP 2554/MP 3054/MP 3554 series, you can print, copy, scan and fax documents and move on to your next project just as quickly. Intuitive drag-and-drop, pinch-and-flick and swipe scrolling simplify routine actions and minimise extraneous choices. It's available via the optional 10.1" Wide Super VGA RICOH Smart Operation Panel. It simplifies the choices for the most frequently used functions for Copy, Scan, Print and Fax.

High efficiency

Perform daily tasks more efficiently with the intuitive, simple-to-use interface. Spending too much time searching for paper and re-loading trays? Add optional paper trays to increase paper capacity up to 4,700 sheets for longer, uninterrupted runs. You can even print on thicker media up to 300 gsm. Plus, you can choose from several automated finishers, including a space-saving internal finisher or an environment-friendly stapleless finisher, to make almost any presentation look polished.

Cost and energy saving

The RICOH MP 2554/MP 3054/MP 3554 series offers low cost per page and Total Electricity Consumption (TEC) values to help support your budgetary needs and sustainability goals. The device can be programmed to power on or off during specified times to conserve energy for even greater savings.
