Affordable colour laser printers that offer speed in a small footprint

The SP C252DN and SP C252SF are a smart solution to those wanting affordable hardware functions with market-leading image quality. Energy saving features will help reduce cost and waste, ensuring an exceptional return on investment, which is backed by a small footprint and quick print speeds. Flexible paper handling offers added convenience. Their small size is deceiving – you'll soon count on their reliable, high quality output for your printing requirements.

Printer features at a glance

SP C252DN

- 1 Built-in wireless ability on both models
- 2 There's no need to wait around for your documents with fast printing of up to 20 ppm for colour and black and white printing
- 3 These devices are both Energy Star 2.0 compliant and include double-sided (duplex) printing as standard, along with energy saving sleep mode to enhance your green credentials
- 4 As well as a their low Total Cost of Ownership (TCO), these devices offer economy colour mode and high yield consumables, all contributing to a low TCO and high toner yield, making them the perfect addition to a home or small office or workgroup

SP C252SF

- 5 These printers readily handle paper up to 160 gsm, along with a variety of other media weights and sizes up to A4. They also offer cost-effective duplex printing, an optional 500-sheet paper tray and feature an all-in-one toner cartridge
- 6 Perform mobile printing and scanning easily by connecting a smart device via Ricoh Smart Device Print & Scan*
- 7 These devices have a resolution of 2400 x 600 dpi (fine) which produces quality colour or black and white prints

*Ricoh Smart Device Print & Scan can be downloaded from the Apple/Android store for free.

Handy small size

Tight on space? You don't have to skimp on the quality, speed and effectiveness of larger printers. The SP C252DN and SP C252SF offer big performance, but are small and lightweight enough to fit on a desktop. The all-in-one toner unit is easy to access from the front of the printers, so maintenance is quick and simple.

Versatile network capabilities

Built-in wireless (IEEE 802.11b/g/n) as standard. Perform printing and scanning by easily and securely connecting smart devices to Ricoh printers via the Ricoh Smart Device Print & Scan application. Scan and upload or print documents from cloud storage.

Lower operation and management cost

Simplify the installation and support across the fleet of Ricoh's laser printers and multifunctional devices by adding Ricoh's Universal Print Driver (PCL) as standard on both devices. Both Devices operating at an industry-leading lower power consumption in both operating and sleep modes.

Productivity that saves time

In a busy work environment, no one has time to stand around and wait at the printer. The SP C252DN and SP C252SF offer quick warm up times of under half a minute and print speeds of 20 ppm. The 250-sheet paper capacity can be boosted to 750 with the optional 500-sheet paper tray, so you can set longer print runs without a fuss.

Functionality for a better bottom line

The SP C252DN and SP C252SF are able to handle a wide variety of media, offering you more choice in your output and bring more print jobs in-house with its superb quality and colour. Duplex printing functions come standard to cut down paper use. Economy colour mode will extend your toner budget. All this, plus a reliable performance backed by a hefty monthly duty cycle.

Environmentally friendly

With their low power consumption, short warm-ups, standard duplex print function and all-in-one toner, our reliable SP C252DN and SP C252SF printers save vital energy. Their reduced environmental impact is significant at a time when more businesses, large and small, are being pressured to reduce their energy consumption and control carbon emissions.

RICOH SP C252DN and SP C252SF

MAIN SPECIFICATIONS

GENERAL

Print speed:	20 prints per minute (Colour and B/W)
Warm-up time:	Less than 30 seconds
First print speed:	
Full colour:	Less than 14 seconds
B/W:	Less than 14 seconds
Dimensions (W x D x H):	
SP C252DN	400 x 450 x 320 mm
SP C252SF	420 x 493 x 460 mm
Weight:	
SP C252DN	Less than 23.8 kg
SP C252SF	Less than 29kg
Power source:	220 - 240 V, 50 - 60 Hz
Power consumption:	
Operating mode:	SP C252DN: 325.4 W SP C252SF: 347.5 W
Energy saver mode:	SP C252DN: Less than 2.9 W SP C252SF: Less than 2.9 W
Duty cycle:	65,000 pages per month

CONTROLLER

Processor:	
SP C252DN:	350 MHz
SP C252SF:	400 MHz
Printer language:	PCL5c/6, PS3
Printer resolution:	
PCL5c/6:	600 x 600 dpi, 1200 x 600 dpi equiv', 2400 x 600 dpi equiv'
PS3 emulation:	600 x 600 dpi, 1200 x 600 dpi equiv', 2400 x 600 dpi equiv'
Memory:	
SP C252DN:	128 MB (Std/Max)
SP C252SF:	256 MB (Std/Max)
Drivers:	PCL5c Printer Driver for Windows PCL6 Printer Driver for Windows Adobe PS Level 3 Driver for Windows Mac OSX PPD Installer Adobe PS3 Driver fo Mac OS X 10.6 or later
Fonts:	PCL & PS3: 80 fonts

CONNECTIVITY

Network protocol:	TCP/IP (IPv4, IPv6), IPX/SPX
Supported environments:	Windows 7/Vista/XP/Server 2003/Server 2008/ Server2012/Macintosh OS X 10.6 or later
Interface:	100Base-TX/10Base-T Ethernet (RJ 45), USB 2.0, IEEE 802.11 b/g/n

PAPER HANDLING

Paper input capacity (A4, 80 gsm paper):	
Standard:	250 sheet tray and 1 sheet bypass tray
Maximum:	751 sheets (with optional 500 sheet tray)
Paper output capacity:	
Standard:	150 sheets
Paper weight:	
Standard Tray	60 - 160 gsm
Bypass Tray	60 - 160 gsm
Optional Paper Tray	60 - 105 gsm
Duplex	60 - 90 gsm
Paper size/Media:	
Standard Tray	A6 - A4, Legal, Letter, Executive, Foolscap, etc. Min. 90 mm x 148 mm, Max. 216 mm x 356 mm
Custom size:	
Bypass Tray:	A6 - A4, Legal, Letter, Executive, Foolscap, etc. Min. 90 mm x 148 mm, Max. 216 mm x 356 mm
Custom size:	
Optional Paper Tray:	A4, Letter

CONSUMABLES

Toner:	
Black:	4,500 sheets
C, M, Y:	4,000 sheets
Waste toner bottle:	25,000 Prints

OTHER OPTIONS

500-sheet paper feed unit

BUNDLED UTILITY

SP C252DN	Web Image Monitor (embedded web server),
SP C252SF	Web Image Monitor (embedded web server), Maple PC2, Page Manager
