The convenience of wireless, the simplicity of all-in-one print technology

Printing has never been easier. The LANIER® SP 311DNw lets you place high quality black-and-white laser printing wherever you need it. Simple to use and easy to maintain, this 30-page-per-minute laser printer delivers all the basic features any small office or workgroup needs – plus the convenience of wireless networking for flexible placement.

Cut the cord

The ultra-compact Lanier SP 311DNw fits comfortably on or under a desk for easy installation to a connected PC. But why limit your options to hardwired connections? In addition to standard USB 2.0 and 10/100Base-TX Ethernet connectivity, the SP 311DNw offers embedded IEEE 802.11 b/g/n Wireless LAN network communications with authentication and encryption. Now you can place the printer where it is most convenient for everyone in the office to share. No cables, no complex setup, no physical limitations on where to install trouble-free, secure WiFi-enabled laser printing.

Simple Windows printing

At 30-ppm the Lanier SP 311DNw is designed to make fast work of everyday printing jobs in common Windows environments. However you choose to connect to the SP 311DNw, its powerful 360 MHz controller with 128 MB memory quickly processes files at up to 1200 x 600 dpi resolution for sharp text and graphics on every page. The intuitive PCL 6 driver makes it easy to program duplex print jobs, combine multiple pages onto a single sheet, imprint watermarks on pages, and add front covers to sets to produce professional looking documents with just a few clicks.

Business-class media

The Lanier SP 311DNw is built for demanding offices. The versatile 250-sheet front-loading paper tray and 50-sheet Bypass both accept media from postcard to legal size and up to 90 lb. Index in weight. Print quantities of envelopes and stacks of collated sets with minimal reloading. Standard automatic duplexing saves paper while a 125-sheet top exit tray makes it easy to grab your pages and get back to business.

Easy to use and affordable to own

The Lanier SP 311DNw is so simple to use and dependable, with only a few hard keys and LED indicators to operate the printer. Installation and device monitoring are performed through Lanier's Web Image Monitor and Smart Organizing Monitor utilities. Plus, it uses Lanier's proven All-In-One print cartridge technology for simplified maintenance and minimal per-page costs. Reliable and durable, the AIO cartridge is the only supply you'll ever need – it contains everything that can run out – and can be changed by anyone in a clean, effortless process in seconds.
