Phaser® 3040 Printer and WorkCentre® 3045 Multifunction Printer

Whether you need fast printing at your fingertips or the added productivity of a device that also copies, scans and faxes, the ultra-compact Phaser 3040 printer and WorkCentre 3045 multifunction printer offer space-saving simplicity and dependability for individual users and small workteams.

Easy for everyone, anywhere

- **Just the right fit.** The Phaser 3040 printer and WorkCentre 3045 multifunction printer feature a compact design for easy placement on your desktop.
- **No wires, no problem.** Place the WorkCentre 3045 where it's most convenient with standard Wi-Fi networking.
- **Remote management made easy.** Stay on top of print-job progress, see toner-level, and get quick access to online support from your desktop with CentreWare® IS*.
- **Walk-up simplicity.** Easily perform multiple tasks at the device with the intuitive, easy-to-use front panel.
- **As simple as it gets.** Both products use the same easy-to-replace toner cartridges, simplifying supplies management and freeing-up valuable storage space.

Advanced technology

- **High-end printing.** The proven Hi-Q LED print engine is the same breakthrough technology found in some of our higher-end devices, and enables the Phaser 3040 and WorkCentre 3045 to be quieter and more energy efficient than competitive devices using laser technology.
- **Outstanding results.** With a print resolution of up to 1200 x 1200 dpi, text and graphics add impressive visual impact to important print jobs.
- **EA Toner.** Our EA Toner fuses at a much lower temperature than conventional toner for more energy savings. Plus, the toner particles are engineered to have uniform size and shape for superior line definition and sharper detail.

Reliable performance

- **Designed for durability.** We engineered the Phaser 3040 and WorkCentre 3045 to handle heavy workloads of up to 30,000 pages per month.
- **Faster printing.** With print speeds as fast as 24 pages per minute, you spend less time waiting at the device and more time with your customers.
- **Low price, high performance.** Whether you choose a printer with USB or a multifunction printer with Wi-Fi, you get impressive performance and numerous standard features.
- **More power.** A 300 MHz processor and 128 MB of memory included with the WorkCentre 3045 deliver the muscle to handle your office documents, classroom papers, or any project that demands a high level of speed and accuracy.
- **Maximum productivity, minimal size.** With one of the smallest footprints in its class, the WorkCentre 3045 multifunction printer saves space while also reducing energy consumption and supplies costs by consolidating the functions of multiple office devices.

* Ethernet-connected models only.

Reduce operating costs and streamline tasks with four business-critical office functions consolidated in one easy-to-use product. The WorkCentre 3045 multifunction printer builds on the Phaser 3040 printer's impressive capabilities with the addition of copying, scanning and faxing.

WorkCentre 3045 highlights:

1 Connect from anywhere in the office with the Wi-Fi enabled WorkCentre 3045.

2 The intuitive, brightly illuminated LCD front panel allows for easy navigation of all device settings and functions.

3 A 15-sheet automatic document feeder lets you process multiple-page print jobs on media sizes from 148 x 210 mm to 216 x 356 mm.

4 Scan your documents at up to 1200 x 1200 dpi resolution in PDF, JPEG or TIFF file formats.

5 Copy features include Collation, ID Card Copy, N-up, Automatic Background Suppression, Photo Mode, and more.

6 The WorkCentre 3045 includes 33.6 Kbps faxing with MH/MR/MMR/JBIG compression and many other industry-standard fax features.

7 A front-side USB port lets you scan to any USB memory device.
